I will gladly either pass an important message on to your student or let you talk with him/her.
Call my cell phone for this and all other messages for your child or me. (740) 398-2721

Phones will be locked in a box and returned at the end of the day.

A simple snack is served every day to every child. Families need to help with this. You will be informed through Parent Square when it is your turn to help supply snacks.
